Furthermore, Declarant shall have the right to allow others this variance for up to 3 years from the date of these covenants provided Declarant still owns at least one Lot in this subdivision at the time it grants the variance. However, other than the above exception for Declarant, no residential parcel or Lot shall be subdivided into smaller tracts than the original tract size as shown on the above referenced plats of survey. The Association does not have any authority to grant variances under this paragraph.

For so long as Declarant shall hold for sale in the ordinary course of business a Lot in TALLULAH LANDING Subdivision, Declarant shall not be required to submit any plans for approval. However, Declarant must abide by the limitations, controls and restrictions of these Declarations.

4.3.3 Limitation of Liability. It is expressly acknowledged and understood by the Owners that damage to the subdivision road caused directly by any construction by or other activities of a particular Owner shall be the responsibility of said Owner to repair. Said damage shall include, but not be limited to, that damage caused by irresponsible use of and/or loading on said road during adverse conditions. Declarant must deed these roads to county or Association before Declarant sells the last Lot he owns in the subdivision; provided, however, nothing shall prevent Declarant from deeding the roads at an earlier time at Declarant's sole discretion.

5.1.1- Upon approval of the Board of building plans submitted to it, pursuant to section 4.3 above, there will be due a \$1,000.00 impact fee, from each Lot Owner, for maintenance and road improvement, for so long as the roads are privately maintained and not county roads. Any approval given shall be contingent upon receipt of this fee, whether specified or not in said approval. This fee shall be paid before any construction on said site shall begin. If the Lot Owner fails to pay this fee before construction begins, the Board may file a lien against his property, withdraw any prior approval given, or any other remedies available at law or in equity.

5.1.2- So long as Declarant is responsible for maintaining the subdivision roads, the above impact fee shall be paid to Declarant. Declarant shall keep this money

in an escrow account, and keep an accurate accounting of how this money was used for road maintenance. Any money in this escrow account for road development shall, upon Declarant relinquishing this responsibility to the Association, be turned over to the Association. However, if subdivision roads are dedicated or deeded to the county, any money in the escrow account for road maintenance shall be prorated between the Owners, one share per Lot owned.

- 5.2 **RESPONSIBILITY.** Owners shall be solely responsible for any repairs, and costs of such repair, for the acts of their guests, invitees, agents or family members for damage to the private roads caused by gross negligence, intentional misfeasance of usage of the Private Road in a manner not constituting reasonable, ordinary, everyday or typical use of the Private Road. All such repair shall be completed in a timely and workmanlike manner.
- 5.3 **MAINTENANCE OF COMMON PROPERTY/AREA.** Declarant shall maintain and keep in good repair the Common Area until he deeds the common area to the Association, pursuant to paragraph 7.4 below, at which time the Association shall take title to said property. Thereafter, the Association shall maintain and keep in good repair the Common Property. This maintenance shall include, without limitation, maintenance, repair, and replacement subject to any insurance then in effect, of all landscaping grass areas, paving, and other improvements, if any, situated on the Common Property.

ARTICLE SIX EASEMENTS

- 6.1 **EASEMENT GRANTS.** The following easements are hereby granted and/or reserved over, across, and through the property.
- 6.1.2 **ROAD INGRESS AND EGRESS.** There is hereby granted to all subdivision parcel or Lot Owners, their heirs, successors, and assigns, and to all Owners of the limited common area, their heirs, successors, and assigns, a reciprocal easement for ingress and egress across all roadways contained in the subdivision as well as access from the public roads to the subdivision roads.

In the event such a gate is placed upon the Property, such gate and its use shall be governed by the TALLULAH LANDING Property Owners Association, Inc. (Association), and said gate shall not inhibit, in any way, the peaceful and unfettered enjoyment of the easements described herein.
- 6.1.5 **UTILITY EASEMENTS.** Declarant does hereby establish for the benefit of, and grant and convey to, the Owner of each Lot, a perpetual, nonexclusive easement appurtenant to each of the other Lots for the purpose of construction, installation, maintenance, repair, replacement, renewing, connecting into and use by such Owner of gas, telephone, power, water, sanitary or other utility lines serving any portion of a Lot within ten (10) feet of the boundary line(s) of any Lot(s), provided there are no buildings or structures constructed in such areas. All such utility lines shall be installed and maintained below the ground level or surface of the Lots (except for such parts thereof that cannot be and are not customarily placed below the surface, such as transformers and control

panels, which shall be placed in such location as approved by the Owner of the affected Lot).

**ARTICLE SEVEN

- 7.1 **MEMBERSHIP.** All parcel or Lot Owners become members of the TALLULAH LANDING PROPERTY OWNERS ASSOCIATION, INC. (The Association) at time of closing. Each parcel or Lot shall enjoy one (1) vote only regardless of whether the parcel or Lot is owned by multiple titleholders owning jointly. The Declarant and its successors are all members of the Association until all lots are sold. The Association, acting through its Board of Directors shall have the rights and authority as set forth in the Declaration and in the By-Laws, to be adopted by the Declarant or the Association as set forth herein.
- 7.2 **CONTROL BY DEVELOPER.** Declarant shall have the absolute authority to control the Association until Declarant has sold 75% of the lots subject to this Declaration. Declarant may relinquish control of the Association sooner in Declarant's sole discretion. Members of the Association, including Declarant after control is relinquished, are entitled to one vote per Lot owned. Declarant may establish by a separate document rules governing the affairs of the association. Once Declarant has relinquished control, the Tallulah Landing Property Owner's Association may amend those rules by a 75% approval, or alternatively establish rules governing said association with a 75% approval, if Declarant fails to establish those rules.
- 7.3 **MEETING.** An Association meeting shall be called and convened each year at some time during the first two weeks of August after Declarant has relinquished control of the Association. Declarant, or an assigned representative, shall preside as temporary chairman at the first Association meeting and shall serve as the Board of Directors until such time as the Declarant no longer has control or has relinquished control, at which time a special meeting shall be called and a new Board of Directors shall be elected. Written notice of any meeting called shall be sent to all Association members not less than thirty (30) days or more than sixty (60) days in advance of the meeting. At the meetings the presence of members either in person or by proxies entitled to cast fifty percent (50%) of all votes shall constitute a quorum.
- The acts approved by a majority of those present at a meeting either in person or by proxies at which a quorum is present shall constitute the acts of the members, except when approval by a greater number of members is required by the Declaration or By-Laws.
- 7.4 **OWNERSHIP OF COMMON PROPERTY.** The roadways and Common Property shall be conveyed to the Association at any time Declarant desires, but in any event before Declarant sells the last Lot he owns in this subdivision.
- 7.5 **ASSESSMENTS.** The initial assessments shall be \$500.00 per Lot, per year, except no assessments is due on any Lot owned by Declarant until Declarant sells said Lot.
- The Owners, including Declarant, of each parcel or Lot owned within the Property by acceptance of a deed therefore, hereby covenants, whether or not it shall be so expressed in such deed, and is deemed to covenant and agree to pay the Association annual assessments and special assessments subject to the terms of this paragraph.
- Declarant and later the Association shall keep this money in an escrow account, and keep an accurate accounting of how this money was used. Any money in this escrow account upon Declarant relinquishing this responsibility to the Association shall be

turned over to the Association.

The annual and special assessments, together with interest costs and reasonable attorney's fees shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who is the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall also pass to his successors in title, provided the Association has caused a claim of lien to be recorded in the Public Records of Union County giving notice to all persons that the Association is asserting a claim of lien upon the parcel or Lot prior to the conveyance of title to the parcel or Lot. Said claim of lien shall state the description of the residence, the name of the record Owner thereof, the amount due and the date when due, and the lien shall continue in effect until all sums secured by the lien have been fully paid. Such claims of lien shall be signed and verified by an officer of the Association or by a managing agent of the Association. Upon full payment, the party making payment shall be entitled to a recordable satisfaction of lien. Liens for assessment may be foreclosed by suit brought in the name of the Association in like manner as a foreclosure of a mortgage on real property. In such foreclosure, the Owner of a residence shall be required to pay a reasonable rental for the residence and the Association shall be entitled as a matter of law, to the appointment of a receiver to collect the same.

7.6 **ASSESSMENT PURPOSE.** Annual assessments shall be used for road maintenance, landscaping the entrance, improvement or maintenance of the Common Property, regardless of whether the Declarant or the Association owns the Common Property, insurance obtained under paragraph 7.8 (a) and 7.8(b) below, or other purposes the Declarant or later the Board desires to use said assessments for that exclusively promote the recreation, health, safety and welfare of the residents in the subdivision; provided, however, the maintenance of Common Property and the payment of the insurance described above shall be given absolute priority over any other use of the Assessments that may be determined by the Board at a later date.

7.6 **SPECIAL ASSESSMENTS.** Special assessments may be made for any lawful purpose by the approval of 75% of the membership at the meeting once a quorum is established.

7.7 **DELINQUENT ASSESSMENTS.**

7.7.1 If the annual or special assessments, or assessments for maintenance of limited common area, are not paid on or before fifteen (15) days after the date when due, then such assessment shall become delinquent and shall, together with interest thereon and costs of collection thereof as hereinafter provided, thereupon become a continuing lien on the property which shall bind such property in the hands of the then Owner, his heirs, devisees, personal representatives and assigns. If the Association files a claim of lien on the public records of Union County, against any parcel or Lot, a Seventy-Five Dollars (\$75.00) lien fee may be charged and shall be added to the unpaid assessment and secured by the lien hereby created.

If the annual assessment is not paid within thirty (30) days after the date when due, the assessment shall bear interest from the date of delinquency at the rate of fifteen percent (15%) per annum, or the maximum allowed by law, whichever is less. The Association may bring an action of law against the Owner personally obligated to pay the same, or to foreclose the lien against the property, in the same manner as foreclosure of a mortgage, and there shall be added to the amount of such assessment interest as provided herein together with the costs of the action and collection of the assessment, including a reasonable attorney's fee and costs and fees on appeal. Reasonable attorney's

fees and costs of collection shall be recoverable whether or not suit is brought.

In addition, if the annual assessment is not paid within thirty (30) days after the date when due, then the Owner shall lose right to use of the Common Property (excluding subdivision roads) until such time as assessments are paid in full.

7.7.2 The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessment as to payment which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessment thereafter becoming due or from the lien thereof.

7.7.3 Certificate of Payment. The Association shall upon demand at any time furnish to any Owner liable for said assessment a certificate in writing and in recordable form, signed by an officer of the Association, setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

7.8 INSURANCE.

- (a) The Association's Board or its duly authorized agent shall have the authority to and shall obtain insurance for all insurable improvements on the Common Property. This insurance shall include fire and extended coverage, including coverage for vandalism and malicious mischief and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. Alternatively, the Board may purchase "all-risk" coverage in like amounts.
- (b) The Declarant shall obtain a public liability policy applicable to the Common Property covering the Association and its members for all damage or injury caused by the negligence of the Association or any of its members or agents in their capacities as such, and, if reasonably available, directors' and officers' liability insurance. The public liability policy shall have a combined single limit of at least one million dollars (\$1,000,000.00). The Board shall be responsible to ensure this policy stays in place once the common area is turned over to the Board, pursuant to paragraph 8.3.
- (c) The Declarant shall obtain a policy to cover the replacement of any common area improvements if destroyed.
- (d) All such insurance coverage obtained by the Board or Declarant shall be written in the name of the Association, as trustee, for the respective benefitted parties, as further identified in subparagraph (ii) below. Such insurance shall be governed by the provisions hereinafter set forth:
 - (i) All policies shall be written with a company licensed to do business in Georgia;
 - (ii) All policies on the Common Property shall be for the benefit of the Association and its members. Any policies covering improvements on Lots shall be for the benefit of Lot Owners and their Mortgagees, as their interests may appear.
 - (iii) Exclusive authority to adjust losses under policies obtained by the Association shall be vested in the Board; provided, however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related thereto;
 - (iv) In no event shall the insurance coverage obtained and maintained by the Board hereunder be brought into contribution with insurance

purchased by individual Owners, occupants, or their Mortgagees, and the insurance carried by the Association shall be primary.

- (v) All casualty insurance shall have an inflation guard endorsement and an agreed amount endorsement if these are reasonably available and all insurance policies shall be reviewed annually by one or more qualified persons, at least one of whom must be in the real estate industry and familiar with construction in the county where the property is located.
- (vi) The Board shall be required to make every reasonable effort to secure insurance policies that provide for the following:
 - (1) a waiver of subrogation by the insurer as to any claims against the Board, the Association's manager, the Owners and their respective tenants, servants, agents, and guests;
 - (2) a waiver by the insurer of its rights to repair and reconstruct instead of paying cash;
 - (3) a provision that no policy may be canceled, invalidated, suspended or subjected to non renewal on account of any one or more individual Owners;
 - (4) a provision that no policy may be canceled, invalidated, suspended, or subjected to non renewal on account of any defect or the conduct of any director, officer, or employee of the Association or its duly authorized manager without prior demand in writing delivered to the Association to cure the defect or to cease the conduct and the allowance of a reasonable time thereafter within which a cure may be effected by the Association, its manager, any Owner or Mortgagee;
 - (5) that any "other insurance" clause in any policy exclude individual Owners' policies from consideration; and
 - (6) that no policy may be canceled or substantially modified or subjected to non renewal without at least thirty (30) days prior written notice to the Association.
- (e) Individual Insurance. Each Owner covenants and agrees that in the event of damage and destruction of structures on his Lot, the Owner shall proceed promptly to repair or to reconstruct the damaged structure in a manner consistent with the original construction or such other plans and specifications as are approved in accordance with this Declaration, unless a determination not to rebuild is made. The Owner shall pay any costs of repair or reconstruction which are not covered by insurance proceeds. In the event that the structure is totally destroyed and a determination is made not to rebuild or to reconstruct, the Owner shall clear the Lot of all debris and return it to substantially the natural state in which it existed prior to the beginning of construction and thereafter the Owner shall continue to maintain the Lot in a neat and attractive condition consistent with the Community-Wide Standard.

7.9 **REPAIR AND RECONSTRUCTION.** In the event of damage to or destruction of all or any part of the Common Property as a result of fire or other casualty, unless at least eighty percent (80%) of the Lot Owners (lots), vote not to proceed with the reconstruction and repair of the structure, the Board or its duly authorized agent shall arrange for and supervise the prompt repair and restoration of the structure.

- (a) Cost Estimates. Immediately after a fire or other casualty causing damage to the Property, the Board shall obtain reliable and detailed estimates of the cost of repairing and restoring the structures (including any damaged Lot) to substantially the condition which existed before such casualty, allowing for any changes or improvements necessitated by changes in applicable building codes. Such costs may also include professional fees and premiums for such bonds as the Board determines to be necessary.
- (b) Source and Allocation of Proceeds. If the proceeds of insurance are not

sufficient to defray the estimated costs of reconstruction and repair, as determined by the Board, or if at any time during the reconstruction and repair or upon completion of reconstruction and repair the funds for the payment of the costs thereof are insufficient, a special assessment shall be made against all of the Lot Owners without the necessity of a vote of the members. If after repair and reconstruction is completed there is a surplus of funds, such funds shall be common funds of the Association to be used as directed by the Board.

- (c) **Plans and Specifications.** Any such reconstruction or repair shall be substantially in accordance with the plans and specifications under which the Property was originally constructed, except where changes are necessary to comply with current applicable building codes or where improvements not in accordance with the original plans and specifications are approved by the Board.
 - (d) **Construction Fund.** The net proceeds of the insurance collected on account of a casualty and the funds collected by the Association from assessments against Lot Owners, if any, on account of such casualty shall constitute a construction fund which shall be disbursed in payment of the cost of reconstruction and repair in the manner set forth in this Paragraph to be disbursed by the Association in appropriate progress payments to such contractor(s), supplier(s), and personnel performing the work or supplying materials or services for the repair and reconstruction of the buildings as are designated by the Board.
 - (e) **Damage to or Destruction of Dwellings on Lots.** In the event of damage to or destruction of structures on a Lot, the Owner shall proceed promptly to repair or to reconstruct the damaged structure in a manner consistent with the original construction or such other plans and specifications as are approved in accordance with this Declaration, unless a determination not to rebuild is made by the Lot Owner in cases of substantial damage or destruction. If the structure is substantially destroyed and a determination is made not to rebuild or to reconstruct, the Owner shall clear the Lot of all debris and return it to substantially the natural state in which it existed prior to the beginning of construction, and, thereafter, the Owner shall continue to maintain the Lot in a neat and attractive condition consistent with the Community-Wide Standard.
- 7.10 **SALE OF LOTS.** Within thirty (30) days after receiving title to a Lot, the purchaser of the Lot shall give the Board written notice of his or her Ownership of the Lot. Upon failure of an Owner to give the required notice within the thirty-day time period provided herein, the Board may levy fines against the Lot and Owner thereof, and assess the Owner for all costs incurred by the Association in determining his or her identity.
- 7.11 **SECURITY.** The Declarant or Association may, but shall not be required to, from time to time, provide measures or take actions which directly or indirectly improve safety on the Property; however, each Owner, for himself or herself and his or her tenants, guests, licensees, and invitees, acknowledges and agrees that the Association is not a provider of security and shall have no duty to provide security on the Property. It shall be the responsibility of each Owner to protect his or her person and property and all responsibility to provide security shall lie solely with each Lot Owner. Neither the Declarant nor Association shall be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken.
- 7.12 **ESCROW ACCOUNT.** All money required to be held in an escrow account under these covenants may be held in the same escrow acct with separate accounting for each purpose.

- 7.13 **DECLARANT'S RIGHT TO ASSESSMENTS.** So long as Declarant owns and/or maintains the Common Property, Declarant shall have the right to the proceeds collected by the Association from any and all Assessments to pay for the maintenance, taxes and insurance of the Common Property. In the event the Association fails to reimburse or pay, on demand, the Declarant the amounts necessary as set forth above, the Declarant shall have the right, by written notice to each Lot Owner, to instruct that all further Assessments be paid to Declarant in lieu of the Association, and to enforce non-payment of Assessments by Lot Owners in such an event in the manner set forth above.

**ARTICLE EIGHT
PROPERTY RIGHTS IN COMMON PROPERTY**

- 8.1 **USE OF COMMON PROPERTY.** There shall be no obstruction of the Common Property, nor shall anything be kept, parked or stored on any part of the Common Property without prior written Board consent, except as specifically provided herein.
- 8.1.1 The use of the Common Property shall be governed by the Declarant, until such time as he turns the Common Property over to the Association, after such time the use of the Common Property shall be governed by the Association. The Declarant, while he's in control of the common area, and thereafter the Association shall have the authority to establish written policies for the use of the common area.
- 8.1.2 Anyone who uses a portion of the Common Property hereunder shall assume, on behalf of himself/herself/themselves and his/her/their guests, occupants and family, all risks associated with the use of the Common Property and all liability for any damage or injury to any person or thing as a result of such use. Neither the Declarant, nor Board, nor Association shall be liable for any damage or injury resulting from such use unless such damage or injury is caused solely by the willful acts or gross negligence of the Association, its agents or employees.
- 8.1.3 Users of the Common Property must remove all trash from the Common Property. Trash shall not be deposited into the Lake.
- 8.2 **EASEMENT OF ENJOYMENT.** The rights of access to and from the Common Property shall include the right of the benefitted parties to the use of said Common Property for recreational purposes, use of the subdivision roads, and the right to repair and maintain the same.
- Except as provided in 8.3 below, the benefit of the aforementioned easement right shall be a covenant running with the land and appurtenant to the Ownership of lots within said subdivision, and may not be transferred, assigned or separately conveyed to any person, or entity which does not own title (equitable or legal) to one or more lots within said subdivision.
- 8.3 **TITLE TO COMMON PROPERTY.** The roadways and common areas shall be conveyed to the Association at any time Declarant desires, but in all events before Declarant sells the last Lot he owns in this subdivision, whichever occurs first. However, title shall be conveyed subject to the following covenant which shall be deemed to run with the land and shall be binding upon the Association, its successors and assigns:

In order to preserve and enhance the property values and amenities of the development, the Common Properties and all facilities now or hereafter built or installed thereon shall at all times be maintained in good repair and condition. The maintenance and repair of the Common Properties shall include, but not be limited to

the repair of damage to roadways, walkways, outdoor lighting, fences and landscape maintenance.

This section shall not be amended to reduce or eliminate the obligation for maintenance and repair of the Common Property.

**ARTICLE NINE
ENFORCEMENT AND DURATION**

- 9.1 **ENFORCEMENT.** If the Owner of the parcels or lots of TALLULAH LANDING Subdivision violate any of the covenants set forth in this Declaration, it shall be lawful for any other person owning real property in the subdivision or the TALLULAH LANDING Property Owners Association, Inc. to prosecute any proceeding at law or in equity against any person or persons violating any of such covenants and either to prevent such Owner from so doing or to recover damages for such violations, or both.
- 9.2 **AMENDMENT.** The covenants, restrictions, easements, reservations, terms and conditions contained in this declaration shall run with the land and shall be binding upon all Lot Owners and their heirs, successors and assigns, provided, however that the Declarant retains the absolute right to amend this declaration, as he may deem necessary, during the period Declarant is in control of the Association and all such amendments shall be binding upon all Lot Owners. Furthermore, the Association shall have the right to amend these covenants once Declarant no longer controls the association by approval of the Owners of 75% of the Lots subject to this declaration; provided, however, that the parcels and Lots shall NOT be divided into smaller tracts than as shown on the plats of survey above referenced except as provided in paragraph 4.2 above and that the land designated as common area shall NOT be sold and shall not be used for residential or commercial purposes during the duration of these covenants and restrictions. All amendments to the Declaration shall become effective upon recordation, unless a later effective date is specified in the amendment.
- 9.3 **DURATION OF COVENANTS AND RESTRICTIONS.** These covenants and restrictions shall run with said land and shall be binding upon all portions and all persons claiming under them perpetually to the extent permitted by law. However, so long as Georgia law limits the period during which covenants restricting lands to certain uses may run, any covenant affected by the law shall run with and bind the land so long as permitted by the law, after which time the provisions shall be automatically extended for successive periods of twenty (20) years, unless fifty-one (51%) percent of the persons owning parcels or lots execute a document to terminate the covenants containing a legal description of the entire area affected by the covenant, a list of all Owners affected by the covenant and a description of the covenant to be terminated or such other requirement as provided in O.C.G.A. 44-5-0. A written instrument reflecting any termination must be recorded no sooner than, but within two years immediately preceding the beginning of a twenty (20) year renewal period. Every purchaser or grantee of any interest (including, without limitation, a security interest) in any real property subject to these covenants, by acceptance of a deed or other conveyance, agrees that the covenants contained herein may be extended and renewed as provided in this Paragraph.
- 9.4 **BINDING OF HEIRS, ETC.** The terms and provisions of this Agreement shall be binding upon and shall inure to the benefit of the Declarant and Owners and their respective heirs, administrators, executors, legal representatives, successors and assigns. Time is of the essence in each and every provision of these Agreements.

**ARTICLE TEN

necessary licenses, rights, privileges and easements over, under, upon, through and across the Property to, including without limitation, (i) use said Property for rights-of-way and easements to erect, install, maintain and use electric and telephone lines, wires, cables, conduits, water mains, pipes, and other suitable equipment for the conveyance and use of electricity, telephone equipment and service, cable, television, water or other public/private conveniences or subdivision utilities; (ii) to access the Property for purposes of development and construction; and (iii) such other rights as may be reasonably necessary to complete in an orderly and economic manner the development of all present and future phases of TALLULAH LANDING Subdivision; provided, however, that said reservation and right shall not be considered an obligation of Declarant to provide or maintain any such utility, development or service.

Declarant also reserves the right to connect with and make use of the utility lines, wires, pipes, conduits, cable, television, sewers and drainage and other utility lines which may from time to time be in or along the streets and roads within the Property. All easements, rights-of-way, rights, licenses and privileges herein reserved in Declarant shall be binding upon the Property and shall inure to the benefit of Declarant, its heirs, successors and assigns until such time as Declarant has quit claimed all its interests in the Property by filing such quit claim document with the Clerk of Superior Court of Union County for purposes of recording same on the deed records of the county.
